1. Acceptance Agreement. Seller's commencement of work on the goods subject to this purchase order or shipment of such goods, whichever occurs first, shall be deemed an effective mode of acceptance of this purchase order. Any acceptance of this purchase order is limited to acceptance of the express terms contained on the face and back hereof. Any proposal for additional or different terms or any attempt by Seller to vary in any degree any of the terms of this offer in Seller's acceptance is hereby objected to and rejected, but such proposals shall not operate as a rejection of this offer unless such variances are in the terms of the description, quantity, price, or delivery schedule of the goods, but shall be deemed a material alteration thereof, and this offer shall be deemed accepted by Seller without said additional or different terms. If this purchase order shall be deemed an acceptance of a prior offer by Seller, such acceptance is limited to the express terms contained on the face and on the back hereof. Additional or different terms or any attempt by Seller to vary in any degree any of the terms of this purchase order shall be deemed material and are objected to and rejected, but this purchase order shall not operate as a rejection of the Seller's offer unless it contains variances in the terms of the description, quantity, price, or delivery schedule of the goods.

2. Electronic/Facsimile Transmission. If this Purchase Order is transmitted by fax, email or by other means of electronic transmission, such transmission shall have the legal significance of a duly executed original delivered to the Supplier.

3. Shipment. If delivery is not made by the date indicated on this Order, Purchaser may, in addition to its other rights, cancel this Order, without any liability whatsoever. If in order to comply with Purchaser's required delivery date it becomes necessary for Seller to ship by a more expensive way than specified in this purchase order, any increased transportation costs resulting there from shall be paid for by Seller unless the necessity for such rerouting or expedited handling has been caused by Purchaser.

4. Force Majeure. Purchaser may delay delivery or acceptance occasioned by causes beyond its control. Seller shall hold such goods at the direction of the Purchaser and shall deliver them when the cause affecting the delay has been removed. Purchaser shall be responsible only for Seller's direct additional costs in holding the goods or delaying performance of this agreement at Purchaser's request. Causes beyond Purchaser's control shall include government action or failure of the government to act where such action is required, strike or other labor trouble, fire, or unusually severe weather.

5. Changes. Purchaser shall have the right at any time to make changes in this Order by written notice to Seller, and Seller agrees to comply with such changes. If such changes cause a material increase or decrease in Seller's costs or time of performance of this Order, Seller shall notify Buyer immediately and negotiate an adjustment.

6. Price and Payment. Seller warrants that the prices for the articles sold Purchaser hereunder are not less favorable than those currently extended to any other customer for the same or similar articles in similar quantities. In the event Seller reduces its price for such article during the term of this order, Seller agrees to reduce the prices hereof correspondingly. The price stated in this Order includes all charges for packaging, boxing, crating, special handling, and freight, F.O.B. destination. Purchaser reserves the right to refuse C.O.D. shipments.

9. Warranty. Seller expressly warrants that all goods or services furnished under this agreement shall conform to all specifications and appropriate standards, will be new, and will be free from defects in material or workmanship. Seller warrants that all goods or services furnished hereunder will be merchantable, and will be safe and appropriate for the purpose for which goods or services of that kind are normally used. If Seller knows or has reason to know the particular purpose for which Purchaser intends to use the goods or services, Seller warrants that such goods or services will be fit for such particular

purpose. Seller warrants that goods or services furnished will conform in all respects to samples. Inspection, test, acceptance or use of the goods or services furnished hereunder shall not affect the Seller's obligation under this warranty, and such warranties shall survive inspection, test, acceptance and use. Seller's warranty shall run to Purchaser, its successors, assigns and customers, and users of products sold by Purchaser. Seller agrees to replace or correct defects of any goods or services not conforming to the foregoing warranty promptly, without expense to Purchaser, when notified of such nonconformity by Purchaser, provided Purchaser elects to provide Seller with the opportunity to do so. In the event of failure of Seller to correct defects in or replace nonconforming goods or services promptly, Purchaser, after reasonable notice to Seller, may make such corrections or replace such goods and services and charge Seller for the cost incurred by Purchaser in doing so.

10. Indemnification. Seller shall defend, indemnify and hold harmless Purchaser against all damages, claims or liabilities and expenses (including attorneys' fees) arising out of or resulting in any way from any defect in the goods or services purchased hereunder, or from any act or omission of Seller, its agents, employees or subcontractors. This indemnification shall be in addition to the warranty obligations of Seller.

11. Inspection/Testing. Payment for the goods delivered hereunder shall not constitute acceptance thereof. Purchaser shall have the right to inspect such goods and to reject any or all of said goods which are in Purchaser's judgment defective or nonconforming. Goods rejected and goods supplied in excess of quantities called for herein may be returned to Seller at its expense and, in addition to Purchaser's other rights, Purchaser may charge Seller all expenses of unpacking, examining, repacking and reshipping such goods. In the event Purchaser receives goods whose defects or nonconformities are not apparent on examination, Purchaser reserves the right to require replacement, as well as payment of damages. Nothing contained in this purchase order shall relieve in any way the Seller from the obligation of testing, inspection and quality control.
